

Message from the Human Resources Office

Welcome to Our Career Site!

We are passionate in our commitment to those we serve. When individuals decide to become employees of The Wartburg, they mark an association which will affect them, their families, and, in a significant way, the future of our organization. Each member of our clinical and administrative teams, proudly accepts the responsibility to fulfill our primary mission to “provide ministries of healing and hope through comprehensive services which nurture **BODY**, **MIND**, and **SPIRIT**,” and combine their compassion, dedication, and skills to achieve this commitment. In a culture of compassion, honor, and respect, our employees carry out their duties proudly, knowing that wherever they work, they support and strengthen the delivery of patient-centered care.

As we continue to meet the needs of those entrusted in our care, the foundation of our success has been, and will continue to be, the many talented and dedicated men and women on our team who establish a spirit of cooperation and camaraderie for the community. Those individuals who join our team will take part in an undeniable experience of healing and hope, and will ultimately share in and contribute toward our goal to remain a leading healthcare provider in New York. We have a strong desire for our employees to find personal fulfillment through their work. Employees are encouraged to take full advantage of the numerous programs designed to assist them throughout their career at The Wartburg. This website highlights the services provided to our employees, as well as the benefits and programs available.

As we nurture the lives of our residents, we also cultivate the personal and professional lives of our employees. We hope that your visit here has awakened your desire to experience not only our beautiful setting on the outside, but our endless compassion and commitment on the inside.

Call us; we would like to hear from you.
